

When you go to Arkansas or Texas you can travel in comfort if you know how. Ask the ticket agent for a ticket via the COTTON BELT ROUTE and you can ride in a reclining chair car, without extra cost, and thus avoid the discomforts you would encounter in an ordinary car. The chairs are arranged so you can have a comfortable seat during the day and a good place to sleep at night. Each car is supplied with a ladies' dressing room and a gentlemen's smoker. You will not have to bother about changing cars, for these cars run through from Memphis and Cairo to Texas without change. Direct connections are made at Cotton Belt junctions with trains for all parts of Texas, Indian Territory, Oklahoma and the far West.

If you are thinking of taking a trip, write and tell us where you are going and when you will leave, and we will tell you how much your ticket will cost, what train to take so as to make the best time and connections, and anything else we can that will help make your trip a comfortable one. An interesting little booklet, "A TRIP TO TEXAS," will be mailed free to any address.

are practically annihilated by the ocean cables and land telegraph systems which now belt the circumference of Old Earth in so many different directions. "Foreign parts" are no longer foreign in the old meaning of the term. Europe, Africa, Asia, are "next door" to us. What happens there to-day we know to-morrow—if we read THE CHICAGO RECORD, whose Special Cable Correspondents are located in every important city in the world outside of the United States. No other American newspaper ever attempted so extensive a service; and it is supplemented by the regular foreign news service of The Associated Press. For accurate intelligence of the stirring events which are shaking the nations—of wars and rumors of wars—of the threatening dissolution of old governments and the establishment of new—of the onward sweep of the race in all parts of the world—the one medium of the most satisfactory information is the enterprising, "up-to-date" American newspaper, THE CHICAGO RECORD.

**FREE** A large map of the world on Mercator's Projection, about 23x16 inches in size, beautifully printed in colors, with a large-scale map of Europe on the reverse side, will be mailed to any address free of charge on receipt of request accompanied by two recent stamps to cover postage and wrapping. The maps illustrate clearly how comprehensively the special cable service of THE CHICAGO RECORD covers the entire civilized world. Address: THE CHICAGO RECORD, 181 Madison Street, Chicago.

### Wanted to "Lick The Spoon."

INDIANAPOLIS, IND., Nov. 16, '99  
PEPSIN SYRUP CO.  
Dear Sirs:—We have been keeping house for five years and are never without Dr. Caldwell's Syrup Pepsin. We find nothing to equal it for stomach troubles and my children like it as well as candy. One night recently my wife was giving a dose to our baby (1 1/2 years old) and Nelda (our little girl, 4 years old) cried for some, too. Her mamma told her she didn't need it and then she said: "Can't I lick the spoon?" It is so pleasant to take, the effects are so good. We hate to be without Dr. Caldwell's Syrup Pepsin.  
Yours truly,

## OLNEY

Writes A Letter Declaring For Bryan.

Wm. E. Curtis Says Republicans Are Getting A Bit Frightened Over the Election Outlook.

Chicago, Sept. 13.—Wm. E. Curtis writes to the Record from New York:

Ex-Secretary Olney, of Boston, has written a letter declaring himself for the Democratic platform and advising all patriotic Democrats to vote for Bryan. Mr. Olney has been considered an expansionist; he was the strongest kind of a goldbug and voted for McKinley rather than for Palmer four years ago. Just what reasons he will give for his change has not been disclosed, but intellectually he is a very strong man and exercises a powerful influence through New England. He is general counsel for the Maine Central railroad, and has been the foremost corporation lawyer in New England, is associated closely in a social and business way with the heaviest bankers and investors in that part of the country, and no other man can reach so many of the class of people who expect the country to go to the bow-wows if Bryan is elected. Therefore the effect of Mr. Olney's conversion will be greater than would follow that of any other man except Mr. Cleveland. Olney was regarded as the strongest man in the Cleveland Cabinet and the last that would expect to go over to Bryan. Last May there was a reunion of the Cleveland cabinet here in New York—an informal and accidental affair, attended by Mr. Carlisle, Mr. Olney, Mr. Morton, Mr. Wilson, Gov. Francis, Mr. Dickinson and others. At that time they were all opposed to Bryan's nomination on the ground that he was a dangerous man. Since then Mr. Olney seems to have been convinced to the contrary.

### CONFEDERATE DEAD.

To Be Removed From Northern Cemeteries Next Month.

The Confederate Southern Memorial Association, with headquarters at New Orleans, has arranged to reclaim the bodies of the Southern dead now resting in Northern cemeteries, and to reinter them, either in the church yards and cemeteries of their respective states or in a plot to be especially set aside for the purpose in the National Cemetery at Arlington, Va., directly opposite Washington.

The affiliated associations, the numerous camps of the Confederate veterans and the state chapters of the United Daughters of the Confederacy have been asked to assist in the work. The lists of all Confederate dead buried in Northern cemeteries will be published throughout the South, thus giving friends and veterans an opportunity to claim their dead. The movement is due to the action of Congress, which in the sundry civil appropriation bill, approved June 6, 1900, provided for the disinterment of these bodies of the Southern dead and their reburial in a special section of the National Cemetery at Arlington, Va.

The date of removal is set for October, Hollywood Cemetery, in Richmond, has been placed at the disposal of the association for the reinterment of the bodies of all Confederate soldiers which are unclaimed.

### Stone For Beckham.

Hon. W. J. Stone will heartily support Bryan, Beckham and the whole Democratic ticket this fall. In an interview a few days since, it was stated to a representative of this paper that he had always been a Democrat, never having voted for any ticket except the straight party ticket, he was still a Democrat and would heartily support the whole ticket, from Bryan down this fall. He favors the repeal, or radical modification of the election laws, and he thinks if either is done the Democratic ticket will easily win in Kentucky.—Crittenden Press.
